

To Members of the EFA

*Circular No. 187*

Mbabane, 25<sup>th</sup> November 2022

### **EFA Members Induction Workshop - Invitation**

The EFA Executive Committee has noted that a majority of the EFA member associations hosted their elective congresses between 2021 and 2022, which resulted in some changes in the leadership of the EFA Member Associations, including the development of the engagement of full-time general secretaries in the regional associations and the women football association. In this regard, owing to the changes in the leadership, administration ascents and most critically the need to remain relevant with the contemporary universal football governance standards for sustainable football development, the EFA Executive Committee, has deliberately organized a Football Governance Induction Workshop for the Executive Committees of the EFA Member Associations.

***In view of the above, EFA Member Associations' Executive Committees are hereby informed and invited to a Football Governance Induction Workshop to be hosted at the Happy Valley Hotel and Resort, in Ezulwini, on Sunday, 4<sup>th</sup> December 2022 starting at 09h30 (9:30pm). Please note that at this point the attendance is strictly for the Executive Committee Members, including the General Secretaries.***

EFA Members are further informed that this is crucial exercise towards the strategic planning exercise or phase of the organization which is expected to be hosted on the 11<sup>th</sup> December 2022, at a venue and time yet to be communicated in due course.

Yours in Football,  
Eswatini Football Association,

  
**Frederick Mingomezulu**  
Chief Executive Officer
