

To Members of the EFA

Circular No. 247

Mbabane, 26th September 2025

Exclusive extension of the First Window Registration Period for 2025/2026 season

EFA Members and Leagues, are hereby informed that, as an exclusive arrangement and consideration, the First Window Registration Period for football clubs ***is extended from the original 26th September 2025, to now close on Friday, 10th October 2025. No other extension shall be granted further to this extended period and as such clubs and registration offices must ensure that all registrations are concluded prior to this new deadline.*** All other regulated timelines in respect of players allowed to register outside the first window registration period remain unchanged, as promulgated through Circular No. 238 of the 15th July 2025.

All football clubs in the membership of EFA are therefore expected to have concluded their registration business by the new stipulated deadline (10th October 2025). *They are further encouraged to discharge their respective registration and associated business as early as possible to avoid clubs being locked out for the rest of the season, as there will be no other extraordinary consideration, for whatever reason, beyond this extended period, closing on 10th October 2025.*

This exclusive extension does not set any form of precedence or reference for future, as all football clubs and stakeholders are always expected to conform to stipulated timelines in the discharge of their business.

Yours in Football,
Eswatini Football Association,

Frederick Mngomezulu
Chief Executive Officer
